Headline:
Scattered showers clear this evening. Warmer with sunny spells Thursday.

This Evening and Tonight:
Showers will gradually fade away this evening to leave a dry night with mostly clear skies. Turning chilly with a few patches of low cloud or fog forming by dawn. Minimum temperature 4 deg C (39 deg F).

Thursday:
Any early fog will soon clear to leave a mostly dry day with sunny spells and some fair-weather cloud. A small chance for the odd afternoon shower. Feeling warmer. Maximum temperature 19 deg C (66 deg F).

Outlook for Friday to Sunday:
Largely cloudy on Friday with occasional rain, mostly in the morning. Showers on Saturday but sunny spells becoming increasingly common over the weekend. Feeling much warmer than late.
